## **WRITING TASK 2**

You should spend about 40 minutes on this task.

Write about the following topic:

In the 21st century, artificial intelligence (A.I.) software now allows users to generate complex art by simply inputting a few keywords into the programs. Many people believe this technology is ruining the creativity artists offer society.

To what extent do you agree with this opinion?

Give reasons for your answer and include any relevant examples from your own knowledge or experience.							
Write at least 250 words.
